### Practice Fire Drill at KMC

A practice Fire Drill needs to take place during a KMC service soon. We will try to do it on a fine day before it gets too cold. If you are at the service when the practice Fire Drill takes place, please leave by the closest exit and go to the Muster Point which is by the clothing bins in the car park behind the church. Everybody should gather there and only go when someone has checked that the building is empty.

### Rotas

A huge "thank you" to all those who have signed up already to read or make the coffee on a Sunday morning. There are still spaces on both rotas – please take a look to see if you are able to fill in any of the blank slots. Many thanks.

### GDPR message

The Church notice sheet has a wider readership than just within KMC as it is published on the KMC website and visitors to our Church premises can take a copy away with them. If you put items in The Notices, please remember the above when adding your personal details, such as your name, email or home address and phone number. I will be happy to omit names and any other personal details if requested to do so. Pat
